US Application # 09/857,099

Dear Mr. Milord,

Duly received your last communication of past 11 of October with thanks.

Unfortunately I don't know if there is a possibility of modifying my application or some of its claims, in order to satisfy the US PTO requirements.

I would appreciate very much if you can suggest me the kind of modifications that should be done. I would then try to do my best to fulfil those requirements.

Thanks in advance for your kind understanding.

Best regards,

Fernando J. Marcos Alba
